Research Experience for Undergraduates (REU) Program in Chemistry

2019 Program ~ Starts: May 20th Ends: July 26th

The National Science Foundation will fund 10 undergraduate students who have completed at least their freshman year in college but have not graduated. REU researchers will gain hands-on experience in a collaborative atmosphere, engage in cutting edge research on a project of your choice, take advantage of a career enhancement program addressing career opportunities and challenges in the emerging interdisciplinary field of green chemistry.

**Participants will receive a \$5000 stipend
travel allowance, housing and a meal plan for 10 weeks!**
