

The University of Kansas Seeks Participants!

Summer Research Experience for Undergraduates (REU) Program in Chemistry

The National Science Foundation will fund ten (10) undergraduate students who have completed at least their freshman year in college but have not yet graduated.

**Participants will receive a \$5,000 stipend,
housing and meal plan for 10 weeks, as well as a travel allowance!**

REU researchers will gain hands-on experience in a collaborative atmosphere, engage in cutting edge research on a *project of your choice*, take advantage of a career enhancement program addressing career opportunities and challenges in the emerging interdisciplinary field of green chemistry. Summer 2017 Program Starts: May 22nd Ends: July 28th

Project Descriptions & Online Application can be found at

<http://chemreu.ku.edu/>

Deadline March 3, 2017
